Lawton Academy of Arts & Sciences

Summer Camps 2020

Lawton Academy of Arts & Sciences (LAAS) is offering three (3) weeks of summer camp opportunities this summer and one new morning camp opportunity. As in previous years, the summer camps will be two half-day programs with a meal in between for those attending both. Attendees must have an active contract with LAAS for the 2020-21 academic year to attend. LAAS students entering PK through students entering 6th grade are welcome.

$75:  8:30 – 11:30 sports camp
$75:  12:30 – 3:30 STREAM camp
$125:  Both camps and lunch

The A.M. camps (8:30 – 11:30) this summer will be led by Mr. Smith and center around sports but will have PE-type games interspersed throughout. Our intent is to help attendees explore these sports in an intermural rather than competitive environment. The P.M. camps will be led by Mrs. Smith and will involve the arts and the sciences. We call it STREAM (Science, Tech, Robotics, Engineering, Art, Music or Math.)

Kids may attend one camp, any combination of camps, or all of the camps! Attendees can register for the camps by calling the school or emailing Mrs. Smith at michelle.smith@lawtonacademy.com. Registration must occur by June 30. Tuition for each camp is due no later than the first day of that camp. Camp hours are 8:30 – 3:30. Extended care is available from 7:00 – 8:30 and from 3:30 – 5:30 for $25 per week.

Students should have on sun screen and may bring sun screen to re-apply. Each student should bring a water bottle for use during the camp, especially the sports camps.
JULY 6 - 10

SOCCER, SOFTBALL, & STEM

A.M. Sports Camp

Soccer and Softball

Students will work the fundamentals of each sport, culminating the week with a game in each for the “championship” of the week! Shin guards and soccer cleats are recommended but not required. Likewise, if the camp attendee has a glove, he should bring it for the softball. (It’s okay if it’s a baseball glove.)

P.M. STREAM Camp

STEM Week

We will be exploring robotics, programming, computer assisted drawing, and engineering throughout the week. Even the youngest campers will be able to participate!

JULY 13- 17

FIELD SPORTS AND FINE ARTS

A.M. Sports Camp

Field Sports

We will be working on the fundamentals of track and field events as well as playing some lacrosse and kickball. Students do not need to bring any special gear, although athletic shoes are required.
P.M. STREAM Camp  
Fine Arts  
We will explore art, music, and drama. On the final day, we will show off what we have learned!

**JULY 20- 24**  
**BALL SPORTS, BOARD GAMES AND BROADCAST**

A.M. Sports Camp  
Volleyball, Basketball, and Flag Football  
We will learn the basics of these three ball sports. No special equipment is needed.

P.M. STREAM Camp  
Boardgames and Broadcast  
Our summer camp kids have always produced the first broadcast each year. This year will be no different! In between writing and recording parts of the broadcast, we will sharpen our higher order thinking skills through several thought-provoking board games. These aren’t your run-of-the-mill board games. You’ll have to see them to believe them!
JULY 27 - 31

SOCCER CAMP

This is our special sports opportunity. We are having a soccer camp to kick off soccer season. If you plan to play soccer in the fall, plan to get started with your team during this camp. We will move into regular practices from this camp. We will also register for the regular season during this camp and the first week of school.

We have a special deal for those who paid for last season. We’re hoping you got your partial refund from the Lawton Soccer Club. These half-day camps are $75; however, for those of you who paid for the soccer season this last spring, your charge for the camp is only $30. We didn’t get any of that registration fee, but we don’t want you to just lose that money. So, we’ll count that fee you paid and didn’t get refunded as a part of our registration.

Shin guards and cleats are required for this camp, as we will be starting the season. Not sure you want to play soccer or playing soccer for another team? You are still welcome to come to camp!
